

## Hi-Boy Instructions

For Labeling Large Containers- The “Hi-Boy Carriage Slider” option is an extra high carriage slider specially designed to adapt your Label Wizard, or Label Wizard- Adjustable model for large container labeling projects. Simply unscrew the black carriage knob (fig.A) from your Label Wizard, then remove & replace the standard carriage slider (the one that comes equipped on your Label Wizard), with the “Hi-Boy Carriage Slider” (fig. B). Replace the washer and knob and you are now able to label large bottles & jars, ranging in size from 3 ½” – 4 ½” (8.9 cm to 11.4 cm) diameter.
